

NB CAPITAL

MEDICAL ADVISOR (m/f)

for Biopharma Investment Fund

NB CAPITAL

Part-time, flexible, operating from home

We offer a highly challenging position as Medical Advisor for NB Capital ApS

NB Capital ApS is a leading advisor in the biotechnology and pharmaceutical area, founded in 2001. For more details visit www.nbcapital.net. We are currently seeking to hire exceptionally talented and enthusiastic individuals to assist us in our medical and scientific due diligence work.

Challenges:

- Identification of unmet medical need within selected disease areas
- Assessment of the potential of investigational drugs in mid- to late-stage development
- Long-term monitoring of the evolving competitive landscape
- Consulting with and expanding our existing network of medical key opinion leaders and other experts
- Gathering and analyzing information to provide the base for potential investments
- You will play a central role in the team evaluating a case

Qualifications:

- Medical doctor with recently completed MD or MD/PhD degree and publications in high-ranked journals
- Proven academic excellence
- Ideally first clinical experience
- Outstanding analytical skills as well as the ability to adapt quickly to fast changing requirements
- A positive and business-oriented mindset
- Ability to deliver at short deadlines and stay on top of the case at hand
- Fluent in spoken and written English, ideally international education background
- Ability to work 1-10 hours per week

We offer:

- An engaging and challenging work environment
- A thorough introduction to the job
- Space for creativity and self-dependent work inside a highly motivated team
- An excellent way of learning the commercial aspects of drug development and staying broadly up to date within medicine by interacting with medical experts around the case
- Flexible working hours and the opportunity to conduct the majority of assignments from home
- Salary depending on qualifications

Please address your application and any questions on the position to Florian Schönharting, M.Sc., Partner at careers@nbcapital.net.
